Description

Our little animations were specially designed to be relatable to the children of our society. We want them to love themselves just the way they are and to give them maximum representation to reinforce how beautiful they are just the way they are.

Our animations will soon represent every hair type and skin tone replication and we will continue to bring a variety which will make them trendy enough to inspire our girls to appreciate and accept and embrace themselves.

Backpack Dimensions Material: 600D polyester + 190T black polyester lining

Sizes:

L27*H32*W10cm
